CoStar Recognizes Five “Power Brokers” at MacKenzie Commercial

The CoStar Group (NASDAQ:CSGP) individually recognized five MacKenzie associates in May as 2009 CoStar Power Brokers; Tom Fidler, Antony M. Gross, Terri Harrington, and Julio Purcell, SIOR, for office leasing activity, and Tom Fidler and John Schultz for retail leasing activity. The firm, which employs more than 30 brokers, was also a recipient of CoStar’s top sales and leasing awards.

The annual awards distinguish the "best of the best" in commercial real estate by spotlighting brokers who closed the highest transaction volumes in commercial property sales or leases for the year.

“CoStar Group is very proud to recognize the commercial real estate brokerage firms and brokers who performed at the industry’s highest level,” said CoStar Group CEO Andrew C. Florance. “Top performers deserve to be recognized for their innovation, prowess and deal-making abilities; this holds especially true in last year’s challenging economic climate. We congratulate all the award winners on their impressive professional accomplishments.”

Robert Aumiller, President of MacKenzie Commercial Real Estate Services, LLC, attributes the company’s continued success to its commitment to building long-term relationships with clients and partner organizations.

“I am proud of the associates who have earned this significant designation. Our office, industrial, and retail teams strive to build enduring relationships with each client. This guiding principal of our firm has earned us repeat business and numerous referrals,” said Aumiller.
