## STABILITY

---

We have been in business for over 32 years making us dependable and giving our clients comfort in the knowledge that we will be around to see their projects through with the quality and integrity that has earned us our top-rated reputation.

## HONEST APPROACH

---

We approach each project with a unique set of values, whether negotiated or competitive bid, our goal is to ensure transparency, so our clients know they are receiving the best product and value for their money.

## SAFETY

---

Maintaining a clean and safe job site by exceeding OSHA standards and implementing a zero-tolerance safety policy through PPE, Toolbox Talks and awareness training, we have enjoyed a long-standing accident free workplace. We have now taken those standards to a new level to protect all personnel by minimizing any exposure to Covid-19.

## TEAM ORIENTED

---

It is our belief that in house and with our clients, a team approach communicating, listening and sharing of information results in our clients receiving the service and end result they demand and giving us the ability to exceed expectation with Value Engineering suggestions, little or no change orders and maintaining the project schedule in order to deliver within budget and on time.

## OUR PEOPLE

---

We have made great efforts to place our experienced staff in the position that allows them to utilize their individual skills and expertise to best serve our clients. We make every effort to match the right team with a client and or project. Our project managers estimate their jobs and see them through to completion ensuring a single source of responsibility. With the management by our knowledgeable field superintendents backed by our support staff along with a carefully selected team of sub-contractors, each project is carried out safely and efficiently to the highest quality standard.

## RELATIONSHIPS

---

Our culture and success has always been predicated on the partnerships and relationships that have been established and maintained over the years. In cultivating these bonds, we understand your needs and provide you with the experience and resources of a large company with the personal approach and accessibility of a local business.

## INTEGRITY

---

It has always been and will continue to be our policy to do the right thing, our resolve and commitment to honesty and integrity has earned us an unparalleled reputation not only with our peers and clients but with the various jurisdictions throughout the states in which we work.
